

# WINTER FOOD APPEAL

**World League for Protection of Animals** is a **NO KILL** animal rights charity with a vibrant Adoption Centre for homeless animals in Gladesville, Sydney.

We care for dogs, rabbits, cats and kittens for as long as it takes until they are safely adopted to permanent loving homes.

**We feed 100 cats a day in our Adoption Centre and Foster Care programs.** A further 400 are fed a day in the community.

**Our Winter Food Appeal** commences 1<sup>st</sup> June 2019 preceded by a **month-long awareness program, Feed –A-Stray-a Day in May.** This campaign challenges the myth that it is wrong to feed strays. It also challenges the very idea that cats 'stray'. Rather, feeding lost and abandoned animals is their only pathway to survival, desexing, rescue and rehoming.

**To become a corporate sponsor** please phone Jonine on 0409 741414 or email [admin@wlpa.org](mailto:admin@wlpa.org)
